

**ARDESIA**

3D metallic

Ceramic is a perfect canvas for expressing the beauty of nature. Using state of the art technology, we have managed to capture the nuances and texture of natural slate with astonishing precision. Every grain, every tone, every detail is recreated with astonishing fidelity. Digital finishes elevate ceramics to new heights. From smooth, velvety textures to polished, shiny surfaces, the versatility of our digital finishes will allow you to bring your design visions to life.
